RESPONSE AFTER FINAL

MAILSTOP AF

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Final Official Action mailed February 2, 2006, Applicant hereby submits the following remarks.

Reconsideration and allowance of the above-reference application are respectfully requested. Claims 1-3, 5-22, 24-37, and 39-49 are pending in the application.

Claims 1, 2, 10-12, 16, 20, 21, 29-31, 35, 36, 44, 45 and 49 standard rejected under 35 USC 103 in view of Gibson. This rejection is respectfully traversed.

The rejection fails to demonstrate that Gibson actually teaches the claimed features asserted by the Examiner to be disclosed by Gibson. As described below, the rejection fails to identify: (1) the claimed termination of an “instance of an application process *configured for executing a prescribed sequence of messaging operations* for a first type of incoming message”, or (2)

Response After Final filed Monday, April 3, 2006
